For the workmen: Shri N. Das, Vice-President of the Union and Shri S. P. Sen Gupta, Joint Secretary.

For the Company: Shri J. K. Ghosh, Advocate of Messrs. Orr Dignam & Co.—Solicitors.

AWARD

These are 16 separate applications under section 33A of the Industrial Disputes Act filed by 16 groups of workmen of Messrs. Remington Rand of India Ltd., whereby they lodged complaints against their common employer, namely, Messrs. Remington Rand of India Ltd. of contravention of the provisions of section 33 of the Act.

All these 16 applications have been taken up together for consideration at the desire of both parties and also for the sake of convenience in view of the identical nature of the complaints made by each of the workmen against their common employer.

The case of the complainants is that during the pendency of proceedings before this Tribunal relating to some industrial disputes existing between the Company on the one hand and its workmen on the other, the Company who is the opposite party has contravened the provisions of section 33 of the Industrial Disputes Act by non-payment of the full quanta of bonus in the months of May and September 1960 to the petitioners, although the payment of which is the condition of service applicable to them immediately before the commencement of the aforesaid proceedings.

The petitioners have accordingly prayed for appropriate relief as provided in law.

The Company has resisted all the applications by filing separate written objections, but they are identical in nature. The Company has raised preliminary objection as to the jurisdiction of this Tribunal to entertain the complaints. It has, at the same time, questioned the maintainability of these applications in law in view of the fact that there has been no contravention of the provisions of section 33 of the Industrial Disputes Act. Its contention is that the concerned workmen have already been paid bonus in the months of May and September 1960 in accordance with the existing practice. It has denied the alleged claim for any extra amount as bonus payable in the months of May and September 1960 as a condition of service.

In all these 16 cases both parties have arrived at settlements of all their outstanding disputes including the subject matter of the complaints. The terms of the settlements have been incorporated in the memorandum of settlement signed by representatives of both parties. On 3rd February 1962, the date fixed for hearing of all these cases, Shri J. K. Ghosh, Advocate representing the Company, has filed a petition along with the memorandum of settlement, dated 2nd January 1962, and prayed for disposal of the cases in terms of the settlement arrived at. None of the concerned workmen or the Union representing them has come to deny or dispute the settlement embodied in the memorandum of settlement, dated 2nd January 1962, signed by the representatives of the Company as well as of the Union.

I have considered the petition and also the memorandum of settlement. Paragraphs 9 and 10 of the memorandum of settlement are relevant for the purpose of the present complaints. The terms agreed upon contained in the said two paragraphs appear to be fair and reasonable. Therefore, the terms are accepted and an award be given on compromise in terms of the memorandum of settlement dated 2nd January 1962 which do form part of the award as an Annexure.

This award will govern all the 16 cases and be treated as separate award in respect of each of them.

Dictated and corrected by me.

J. N. MANDAL,
Judge.

JITENDRA NATH MANDAL,
Judge, Third Industrial Tribunal.

LABOUR DEPARTMENT

ORDERS

No. 733-I.R./IR/10L-129(A)/61.—1st March 1962. —Whereas under the Government of West Bengal, Labour Department, order No. 4208-I.R./IR/10L-129(A)/61, dated the 3rd July 1961, read with its corrigendum No. 6267I.R./IR/10L-129(A)/61, dated the 31st October 1961, the industrial dispute between Messrs. Raymon Engineering Works Ltd., post office Jagacha, Santragachi, Howrah, (Head Office at P-35, India Exchange Place, Calcutta-1), and their workmen represented by Raymon Engineering Workmen's Union, 182 Belilious Road, Howrah, regarding the issues mentioned in the said order being matters specified in the second schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the Fifth Industrial Tribunal;

And whereas the said Fifth Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an industrial dispute between Messrs. Raymon Engineering Works Ltd., Post Office Jagacha, Santragachi, Howrah (Head Office at P-35, India Exchange Place, Calcutta-1), and their workmen represented by Raymon Engineering Workmen's Union, 182, Belilious Road, Howrah (Case No. VIII-222/61).

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri N. E. Chaudhuri, Judge, Fifth Industrial Tribunal

Appearances:

For the Company: Shri S. C. Sen, Advocate of Messrs. Orr Dignam & Co.

For the Union. Shri Anadi Das, President of the Union.

The Government of West Bengal by its Labour Department order No. 4208-IR/IR/10L-129(A)/61, dated the 3rd July 1961, and subsequent corrigendum No. 6267-IR/IR/10L-129(A)/61, dated the 31st October 1961, referred to this Tribunal an industrial dispute between Messrs. Raymon Engineering Works Ltd., post office Jagacha, Santragachi, Howrah (Head Office at P-35 India Exchange Place, Calcutta-1) (hereafter referred to as the Company), and their workmen represented by Raymon Engineering Workmen's Union, 182 Belilious Road, Howrah (hereafter referred to as the Union), for adjudication under section 10 of the Industrial Disputes Act. . .

The issues framed in this case are as under:

(1) Whether the termination of services of Shri Pannalal Bhattacharyya and Shri Shamal Bose is justified? To what relief, if any, are they entitled?

(2) Whether the suspension and refusal of employment to Shri Biswanath Das is justified? To what relief, if any, is he entitled?

AWARD

It may be mentioned that the issue originally framed by the Government was worded in a different form. However, by a corrigendum, dated the 31st October 1962, as referred to above, the issue was recast and given the above form. There has been however, no substantial change in the matter of reference. After the receipt of the original order of reference, notices were issued as usual to both the parties, and both the parties entered appearance and filed their respective written statements also. After receipt of the corrigendum mentioned above, both parties were given fresh option to file additional statements, if any, but neither party did actually file any additional statement. On 8th February 1960, however, the parties filed a joint petition of compromise after settling their dispute out of Court. I have carefully gone through the terms of settlement, and think that the terms are not only lawful but fair and reasonable also. So, the petition of compromise is recorded, and the award is passed in terms thereof. The joint petition of compromise inclusive of its Annexure A (bipartite agreement) will form part of this award, and it is marked as Annexure (I) to this award. I think, both the parties deserve appreciation for showing this commendable spirit of conciliation and making an amicable settlement of the dispute.

This is my award

Dictated and corrected by me.

N B CHAUDHLRI, Judge.

N. B. CHAUDHURI,
Judge, Fifth Industrial Tribunal.

Annexure A

Bipartite Agreement

Parties: (1) Raymon Engineering Works Limited, represented by Shri Aloke Biswas, Assistant Secretary of the Company; (2) Raymon Engineering Workmen's Union, represented by (i) Shri Anadi Das, President, (ii) Shri S. K. Basir Ali, Committee Member, and (iii) Shri Ananta Kr. Debnath, Assistant Secretary.

Short recital of the case

A dispute arose between Raymon Engineering Works Ltd. (hereafter to be mentioned as the Company) and their workmen on the Company's terminating the services of three workmen, namely, (1) Biswanath Das, (2) Pannalal Bhattacharjee, and (3) Shyamal Bose on the charges mentioned in the Company's written statement submitted to the Tribunal. The matter was referred to the Fifth Industrial Tribunal for adjudication by West Bengal Government order No. 4208-IR/IR/10L-159(A)/61, dated 3rd July 1961.

In the meantime, the parties have had long discussions among themselves and ultimately an amicable settlement was arrived at on the following terms:

(1) That out of the three workmen mentioned above, the Company will take back (reinstate) Shri Biswanath Das and he will be paid compensation equivalent to 84 days' wages, including dearness allowance, for the entire period of his unemployment after dismissal till the date of his reinstatement. Continuity of his service, however, will be maintained and the period will be treated as leave without pay.

(2) That Shri Biswanath Das will resume his duties with effect from 12th February, 1962, but if he fails to report for duty within seven days from 12th February 1962, he will forfeit his rights to be reinstated and/or compensation, or any other claim.

(3) That payment of compensation mentioned in clause (1) will be made in six monthly instalments, the first instalment will be paid within seven days of his joining his duties.

(4) That the Union will try for and see that Shri Biswanath Das maintains discipline in the factory.

(5) That Shri Shyamal Bose's and Shri Pannalal Bhattacharjee's case will not be considered either for reinstatement or for any compensation as they have taken full and final settlement of their dues from the Company.

(6) It is further agreed that as there is no dispute in this matter, both the parties will file a joint petition before the Fifth Industrial Tribunal appraising this agreement and praying for passing an award in terms of the same.

Appearances:

For the Company: Shri S. K. Bhattacharjee, with Shri A. K. Sarkar of the Association of Manufacture, Commercial & Traders, West Bengal.

For the Union: None.

The Government of West Bengal, Labour Department, by order No. 3779-I.R./IR/11L-77/59, dated the 21st July 1960, referred under section 10 of the Industrial Disputes Act, 1947 (XIV of 1947), the abovementioned dispute for adjudication, regarding a matter specified in the Second Schedule to the Act.

This dispute was previously referred to the First Labour Court by order No. 1283-I.R./IR/11L-77/59, dated the 30th March 1959, for adjudication which has been replaced by the Sixth Industrial Tribunal, constituted under notification No. 3115-I.R./IR/3A-6/59, dated the 21st June 1960, and has in consequence been abolished by notification No. 3508-I.R./IR/3A-9/59, dated the 11th July 1960.

The Schedule

Whether the dismissal of the following workmen is justified? To what relief, if any, are they entitled—

(i) Shri Nevamat Ali, (ii) Shri Md. Khalil, (iii) Shri Sarekat Ali, (iv) Shri Md. Hossain.

AWARD

This reference is in respect of dismissal of four workmen of the Company—The National Bone Mill (hereinafter referred to as the Company).

It is the case of the four workmen, represented by the National Bone Mill Mazdoor Union, that they were wrongfully dismissed by the Management as they were not guilty of any misconduct. It is alleged by the Union that they were victimised by the Company for their Union activities and it is prayed that

the four workmen may be reinstated with all back wages.

It is the case of the Company that in February 1959 these four workmen under reference along with some others created disturbances both inside the factory premises and also outside when they threw bombs and brickbats at the loyal workers causing injuries to some of the workers. The Company further alleges that the four workmen under reference were charge-sheeted and departmental enquiries were held, and that the four workmen under reference being found guilty of gross misconduct were dismissed from service. It was also alleged by the Company that two of the workmen under reference, viz., Md. Khalil and Shri Sarekat were convicted under section 323/34 of the Indian Penal Code and sentenced to pay a fine of Rs. 25 each, or in default, to undergo rigorous imprisonment for one month each. The Company submits that the four workmen under reference were dismissed for gross misconduct. One of the workmen under reference Md. Hossain (serial No. 4) filed an application on 11th October 1961 stating that he had no dispute with the Company and that he wanted to withdraw from the dispute.

The case first came up for hearing on 1st February 1961. Since then, a number of adjournments had been granted on the prayer of both the parties and the case finally came up for hearing this day, i.e., the 6th Feburary 1962. The Company is present but none of the workmen, nor the Union is present to conduct the case on behalf of the workmen. There has not been any prayer by the Union or the workmen for any further adjournment. Under the circumstances I have no alternative but to take up the matter in dispute for final disposal this day at 12-15 p.m.

The Company examined O.P.W. 1 Shri Ram Ranjan Chakravorty, the Secretary of the Company. He gave evidence stating that four workmen under reference created disturbances both inside and outside the factory premises, threw bombs and brickbats at loyal workers, causing injuries to some of them. The Company has also filed a copy of the judgment of the Criminal Court which shows that two of the workmen, Khalil and Sarekat, were convicted under section 323/34, I.P.C., for the disturbances referred to by O.P.W. 1. Another workman Neyamat is said to be absconding and still wanted by the police in connection with the criminal case. The Company also filed the papers relating to the departmental enquiries held against the four workmen under reference. I have considered the testimony of O.P.W. 1 and gone through the documents filed by the Company and I have no hesitation in finding that the four workmen under reference were guilty of misconduct inasmuch as they created a major disturbances both inside and outside the factory premises by throwing bombs and brickbats at the loyal workers of the Company. Records of the departmental enquiries revealed that two of the workmen under reference were charge-sheeted. It further appears that two of the workmen under references, Md. Khalil and Sarekat, replied to the charge-sheet making certain allegations against the Company. The papers relating to Neyamat and Md. Hossain do not show that they were charge-sheeted, but it appears that ex-parte proceedings were drawn up and evidence were recorded against these two workmen. I have already referred to the petition fild by Md. Hossain on 11th October 1961 stating that he wanted to withdraw from the dispute. I have also further stated that none of the workmen under reference appears to conduct the case on behalf of the workmen and the Union is also absent. In view of these facts and circumstances, I hold that the four workmen under reference were rightly dismissed from service and an award is passed accordingly.

Dictated and corrected by me.

BILL

to amend the Bengal Public Demands Recovery Act, 1913.

WHEREAS it is expedient to amend the Bengal Public Demands Recovery Act, 1913, for the purposes and in the manner hereinafter appearing; Ben. Act III of 1913.

It is hereby enacted in the Thirteenth Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title. **1.** This Act may be called the Bengal Public Demands Recovery (Amendment) Act, 1962.

'(*a1*) "Calcutta" means the area comprised within the local limits for the time being of the ordinary original civil jurisdiction of the High Court at Calcutta;';

(*ii*) to clause (*3a*), the following *Explanation* shall be, and shall be deemed always to have been, added, namely:—

"*Explanation.*—For the purposes of this clause, the district of 24-Parganas shall include Calcutta;".

The Bengal Public Demands Recovery (Amendment) Bill, 1962.

(*Clause 3.*)

Repeal and savings.

STATEMENT OF OBJECTS AND REASONS.

The Collector of 24-Parganas was appointed as the *Ex-Officio* Collector of Calcutta in 1875. A doubt having arisen as to whether the Collector of 24-Parganas, as the *Ex-Officio* Collector of Calcutta, could appoint any officer, with the sanction of the Commissioner, to perform the functions of a Certificate Officer under the Bengal Public Demands Recovery Act, 1913 (Bengal Act III of 1913), in the city of Calcutta, the Act was amended by the Bengal Public Demands Recovery (Amendment) Ordinance, 1961 (West Bengal Ordinance No. VIII of 1961), so as to include Calcutta within the district of 24-Parganas for the purposes of that Act.

2. The Bill seeks to enact the provisions of the said Ordinance.

THE WEST BENGAL LAND (REQUISITION AND ACQUISITION) (AMENDMENT) BILL, 1962.

A

BILL

to amend the West Bengal Land (Requisition and Acquisition) Act, 1948.

WHEREAS it is expedient to amend the West Bengal Land (Requisition and Acquisition) Act, 1948, for the purpose and in the manner hereinafter appearing; West Ben. Act II of 1948.

It is hereby enacted in the Thirteenth Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title. **1.** This Act may be called the West Bengal Land (Requisition and Acquisition) (Amendment) Act, 1962.

Amendment of section 1 of West Ben. Act II of 1948. **2.** In sub-section (*4*) of section 1 of the West Bengal Land (Requisition and Acquisition) Act, 1948 (hereinafter referred to as the said Act), for the words and figures "the 31st day of March, 1962", the words and figures "the 31st day of March, 1967" shall be substituted.

Repeal and savings. **3.** (*1*) The West Bengal Land (Requisition and Acquisition) (Amendment) Ordinance, 1962 is hereby repealed West Ben. Ord. I of 1962.

(*2*) Anything done or any action taken under the said Act as amended by the West Bengal Land (Requisition and Acquisition) (Amendment) Ordinance, 1962, shall be deemed to have been validly done or taken under the said Act as amended by this Act as if this Act had commenced on the 2nd day of March, 1962.

STATEMENT OF OBJECTS AND REASONS.

The West Bengal Land (Requisition and Acquisition) Act, 1948 (West Bengal Act II of 1948) will cease to be in force after the 31st March, 1962.

2. The Act provides for an expeditious way of acquiring land for certain public purposes after going through requisition at the initial stage. For getting quick possession of lands required for various urgent development projects already undertaken and to be undertaken under the Five Year Plans, it is necessary to retain the Act. The life of the Act was accordingly extended for a further period of five years from the 1st April, 1962 by promulgation of the West Bengal Land (Requisition and Acquisition) (Amendment) Ordinance, 1962 (West Bengal Ordinance No. I of 1962).

ORDER.

No. 2842L.Ref.—9th March 1962.—In exercise of the power conferred by section 189, read with sub-section (6) of section 190 of the Bihar Tenancy Act, 1885 (VIII of 1885), and sub-section (3) of section 3 of the West Bengal Transferred Territories (Assimilation of Laws) Act, 1958 (West Bengal Act XIX of 1958), the Governor is pleased hereby to make, after previous publication as required by sub-section (1) of section 190 of the Bihar Tenancy Act, 1885, the following amendments in the Bihar Tenancy Rules, 1907, published with the Government of Bengal notification No. 2705T.R. dated the 31st October 1907, at pages 1819-1847 of Part I of the "Calcutta Gazette" of the 6th November 1907, as subsequently amended (hereinafter referred to as the said Rules), namely:—

Amendments

1. In chapter VI of the said rules,—

(a) in the heading, for the word and figure "section 40A", substitute the word and figure "section 40";

(b) before rule 40, insert the following rule, namely:—

"Definitions. 39A. In this chapter, unless the context otherwise requires,—

(i) 'the Act' means the Bihar Tenancy Act, 1885, and

(ii) 'section' means a section of the Act.

(c) for rules 40 to 57, substitute the following rules, namely:—

"Procedure for making survey and for preparation of record-of-rights.

40. When an order has been made under sub-section (1) of section 101 directing that a survey be made and a record-of-rights be prepared in respect of the lands in any local area, estate or tenure or part thereof, the survey shall be made and the record-of-rights shall be prepared in respect of such lands by the following processes, namely:—

(i) Traverse Survey;

(ii) Cadastral Survey;

(iii) preliminary record writing (or Khanapuri);

(iv) local explanation (or Bujharat);

(v) attestation including determination of rents of tenancies under section 40;

(vi) publication of the draft record-of-rights;

(vii) disposal of objections under sub-section (1) of section 103A;

(viii) preparation of the final record;

(ix) publication of the final record-of-rights under sub-section (2) of section 103A;

(x) trial of suits under section 106:

Provided that any of the steps referred to in items (i) to (v) may be omitted or amalgamated with another with the previous permission of the State Government:

Provided further that a Revenue Officer who has been appointed with the additional designation of 'Settlement Officer' may, at any time before the final publication of the record-of-rights, direct that any portion of the proceedings relating to the preparation of the record-of-rights in respect of the lands in any local area, estate or tenure or part thereof, shall be cancelled and that such proceedings shall be carried out de novo from such stage as he may direct.

Traverse Survey.

41. The cadastral survey of the notified area shall be based upon a traverse survey, and such traverse survey shall ordinarily be carried out by theodolite observations. If possible the traverse survey shall be connected with one or more points which have been fixed by previous survey.

Cadastral Survey.

42. (1) In the course of proceedings under sub-section (1) of section 101, a large-scale map showing roads, rivers, railways and other physical features of the country, as well as homesteads and other fields, shall be prepared for each village as adopted in the general land revenue survey or in any survey made by the Government by notification in the 'Official Gazette' as defining villages in any specified area:

Provided that for any specified area, whether previously notified as a village or not, the State Government may direct that the preparation of a map as aforesaid be dispensed with or that such map be prepared either by adopting any map or plan previously prepared by the Government or by any local authority or by any private party, after such modification, if any, as may be considered necessary with a view to representing the existing state of affairs, for the purpose of the preparation of the record-of-rights under the Act.

(2) When the area contained within the external boundaries of the village maps of the previous survey contemplated by sub-rule (1) is unsuitable as the unit of survey and record, or, if there has been no such previous survey, the Settlement Officer shall, after ascertaining as far as possible the opinions of the landlords and tenants concerned, submit his proposals for the determination of the area to be adopted as the unit of record and survey to the Board of Revenue through the controlling officer to whom he is subordinate. That unit shall, if sanctioned by the Board of

Revenue, be adopted in framing the record-of-rights and shall be deemed to constitute a village when a notification adopting it as such has been issued in the "Official Gazette" by the State Government. The Board of Revenue shall submit a copy of its order in each case to the State Government for the issue of the notification.

Preliminary record-writing.

43. At this and the two following stages the draft record-of-rights shall be prepared. The draft record shall consist of statements of rights which are hereinafter styled the khatians. There shall ordinarily be a separate khatian for each person interested, or each group of persons jointly interested, in the land and each khatian shall show the rights and liabilities of each person or group of persons according to the particulars which have been specified in the order made under section 101. At this stage all such particulars shall be entered in the draft record with the exception that no entry shall be made as to the revenue, rent or cess, the class to which the tenant belongs, or the special conditions and incidents of the tenancy. At this stage there shall also be prepared a field index or khasha arranged according to the serial number of the fields in the village. This field index shall not form part of the draft record. Disputes regarding the ownership of lands, or the ownership of any interest in land, shall be decided by a Revenue Officer or a Kanungo in a summary manner and on the basis of actual possession.

Local explanation.

44. When the areas of the fields have been extracted and entered in the draft record, a copy of each khatian shall be made over by a Revenue Officer or a Kanungo to the person or body of persons in whose name or names the khatian has been opened or to their representatives. Each khatian shall then be examined on the ground, with reference to the village map, by a Revenue Officer or such other person as may be authorised by him in this behalf and explained to the person or persons concerned or their representatives, if present. In this process the Revenue Officer or the authorised person shall make such corrections as are necessary in the map, in the draft record, and in the copies of the khatians which have been distributed, if they can be produced for this purpose. At this stage entries of the rent which is payable according to the statement of the landlord and according to the statement of the tenant shall be made in the draft record and in such copies of khatians as are produced; but the other particulars which were omitted at the stage of preliminary record writing shall be deferred until the stage of attestation.

Attestation.

45. (1) The attestation in each village shall be taken up at a convenient place in or near the village as far as possible. Before attestation begins the Revenue Officer may cause plot to plot enquiry and survey, where necessary, for incorporating changes in maps previously prepared and for making a preliminary record of the names of possessors of each plot in operation where stages referred to in items (i) to (iv) of rule 40 have been omitted. A proclamation shall in all cases be published before attestation begins in the village giving due notice to the landlords and tenants and calling on them to appear before the Revenue Officer on the date fixed with relevant documents in support of their existing title and possession. The proclamation shall also specify that all persons who have derived or lost interest in any khatian should invariably be present at the time of attestation and that all changes which occurred in any tenancy since the last preparation of the draft or finally published record-of-rights due to—

(a) inheritance, succession, transfer or otherwise;

(b) amalgamation or subdivision of tenancies;

(c) surrender or abandonment of tenancies;

(d) new settlement; or

(e) any other reasons,

shall be brought to the notice of the Revenue Officer. As each person appears before him, the Revenue Officer shall examine his

khatian, read out all the important entries, make corrections where required and see that the khatian is complete in all particulars. Disputes regarding the ownership of land, or ownership of any interest in land shall be decided by the Revenue Officer in a summary manner and on the basis of actual possession. In the khatian of each tenant or group of tenants he shall enter with his own hand the class to which the tenant or group of tenants belongs, the special conditions and incidents (if any) of the tenancy and the rent and cesses lawfully payable or deliverable to each landlord or group of landlords. In any area in which a notification has been made under sub-section (3A) of section 40, the Revenue Officer specially authorised by the State Government in this behalf shall commute the produce-rents into money-rents at this stage and incorporate the money-rents in the draft records. If, while the record is being prepared, the landlord and the tenant agree as to the rent which shall be recorded as payable, the Revenue Officer, if he has been vested with the powers under section 109-C, may, if he is satisfied that the rent agreed upon is fair and equitable, but not otherwise, settle such rent as a fair and equitable rent, although the terms of the Agreement are such that, if they were embodied in a contract, they could not be enforced under the Act.

If the Revenue Officer has not been vested with the powers under section 109-C, he may, if he considers that the provisions of that section should be applied in respect of the rent of any tenure or holding, submit a report to any Revenue Officer who has been vested with the powers under section 109-C in respect of the local area, estate or tenure or part thereof for which the record-of-rights is being prepared, and such Revenue Officer, after giving notice to the landlord and tenant, and after such further inquiry as he may deem necessary, may, if he is satisfied that the rent agreed upon by the landlord and tenant is fair and equitable, but not otherwise, settle such rent as a fair and equitable rent, although the terms of the agreement are such that, if they were embodied in a contract, they could not be enforced under the Act. The Revenue Officer shall then sign and date the office copy of the khatian. When the Revenue Officer has completed the attestation of all the khatians in a village and incorporated the rents determined under sub-section (3A) of section 40, he shall draw up a formal proceeding to that effect.

(2) If, during the enquiry and survey referred to in sub-rule (1), it appears to the Revenue Officer that the area contained within the external boundaries of the village maps of the previous survey is unsuitable as the unit of survey and record, he shall, after ascertaining as far as possible the opinion of the local people concerned, submit his proposals for the determination of the area to be adopted as the unit of record and survey to the Board of Revenue through the controlling officers to whom he is subordinate. Thereafter the procedure laid down in sub-rule (2) of rule 42 shall apply mutatis mutandis. In causing the aforesaid enquiry and survey, the Revenue Officer may also incorporate in the last settlement maps the plans prepared by other departments of Government as well as by private parties after such check as he considers necessary with a view to represent the existing state of affairs.

Publication of the draft record.

46. The Revenue Officer shall publish the draft record-of-rights by placing it for public inspection free of charge, during a period of one month, at such convenient place as he may determine. A proclamation shall previously be published in each village, informing the landlords and the tenants of the place at which the draft record of that village will be open to public inspection, the period during which it will be open to such inspection and the last date on which objections may be filed.

Objection under section 103A (1).

47. Blank forms of objection shall be supplied free of charge and objections shall, as far as practicable, be made in such forms. Along with the original objection, an objector shall file a copy or copies of the same with a copy or copies of

notices for service on persons who are materially interested in the case. The Revenue Officer shall issue notices informing the objector and all other persons so interested of the date and place fixed for the hearing of the objection. He shall forward a copy of the objection along with the notice to all such other persons. Objections regarding the ownership of land, or the ownership of any interest in land shall be decided by the Revenue Officer on the basis of actual possession. The records shall contain the names of the witnesses examined and an abstract of the reasons for the decision. When a Revenue Officer directs that a change shall be made in the rent recorded as payable by any tenant, he shall direct that a corresponding change shall be made in the cess, if any, recorded as payable by such tenant. Objections shall not be disposed of in the absence of the parties materially interested, or their representatives, unless the Revenue Officer be satisfied, for reasons to be recorded in writing, that the notice was duly served on the persons concerned and they were given a reasonable opportunity of being represented.

Preparation and publication of the final record.

48. (1) When all objections under section 103A have been disposed of and the draft record has been corrected in accordance with the orders passed thereon, the Revenue Officer shall finally frame the record. The final record shall be prepared in conformity with the draft record corrected as aforesaid, and shall consist of a series of khatians prepared on forms which shall be generally similar to the forms used for the khatians of the draft record. In doing so, a Revenue Officer may, after giving reasonable notice to the parties concerned to appear and be heard in the matter, correct any entry which he is satisfied has been made owing to a bona fide mistake. The khasra shall not form part of the final record. The final record shall be printed or prepared in manuscript or machine-duplicated according as the State Government may, by general or special order, determine.

(2) The Revenue Officer shall then publish the final record-of-rights by placing it for public inspection free of charge, during a period of one month, at such a convenient place as he may determine. The Revenue Officer shall cause a proclamation to be given to that effect in each village to which the record-of-rights relates stating the place where, and the period during which, it will be open to public inspection.

(3) When a record-of-rights is placed for final publication, a certificate in the following form shall be attached to the first volume of record-of-rights of each village:—

LABOUR DEPARTMENT

ORDERS

No. 726-IR/IR/10L-227/61.—28th February 1962. —Whereas under the Government of West Bengal, Labour Department, order No. 6117-IR/IR/10L-68/60, dated the 25th November 1960, read with its addendum No. 6404-IR/IR/10L-68/60, dated the 7th December 1960, the industrial dispute between Messrs. And whereas during the pendency of proceedings before the said Industrial Tribunal Shri Sheo Nandan Singh, a workman of the said Company, made a complaint in writing to the said Industrial Tribunal against the said Company alleging that the said Company had dismissed the said workman concerned in such dispute;

And whereas in exercise of the powers conferred by section 33A of the Industrial Disputes Act, 1947 (XIV of 1947), the said Industrial Tribunal has adjudicated upon the said complaint and submitted is award to the State Government;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an application under section 33A of the Industrial Disputes Act, 1947, filed by Shri Nandan Singh, an employee of Messrs. Hind Motors Ltd., represented by Hind Motors Employees' Union, Uttarpara, Hooghly, against the aforesaid concern, in connection with the Government order No. 6117-IR., dated the 25th November 1960 (Case No. 64 of 1961 u/s. 33A.)

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL

Present:

Shri N. B. CHAUDHURI, Judge.

Appearances:

For the Union: The employees himself.

For the Company: Shri K. P. Mukherjee, Solicitor, Shri Nikhil Roy, Advocate.

AWARD

This is an application by Shri Sheo Nandan Singh against his employer Messrs. Hindusthan Motors Ltd., purported to be under section 33A of the Industrial Disputes Act. The petitioner's case is that he had been working as a darwan with a clean record of service. On 25th March 1961 he was wrongly charge-sheeted by the management on a frivolous ground and dismissed him with effect from 26th April 1961 without any proper enquiry and without giving him any reasonable opportunity to defend himself. Thus, it is alleged his dismissal was in contravention of the provisions of section 33 of the Act.

The Company on the other hand inter alia alleges that in fact and law there was no contravention of the provisions of section 33 of the Act and hence this present application is not maintainable. The petitioner failed or neglected to attend his usual parade from 27th February 1961 although he was cautioned in that connection on different dates. He was charge-sheeted for this major misdemeanour and after proper enquiry and due compliance of all rules of natural justice, he was dismissed for disobedience of a lawful and reasonable order of a superior.

Points for decision are—

Issues

(1) whether the application is maintainable as such?

(2) what relief, if any, is the applicant entitled to?

Decision

It will be clear from the written statement of the Company that it actually filed an application under section 33 of the Act on 11th May 1961 for approval of the punishment by dismissal of Shri Singh. It is also not in dispute that the application under section 33 of the Act has been allowed on contest and the approval sought by the employer has been actually granted on 13th October 1961. It may be mentioned in this connection that the Company filed its petition under section 33 of the Act on 11th May 1961 and the workman entered appearance in that case on 15th June 1961 and filed its written statement also on 6th July 1961. The hearing of the application was taken up on 7th September 1961 and concluded on 8th September 1961. Yet the workman filed the present application under section 33A on 4th September 1961, knowing fully well that the other application was pending from long before. From the annexure D of the present application it appears that this petitioner darwan was dismissed with effect from 11th May 1961 and not 26th April 1961, as alleged by him in his application. Thus the application under section 33 of the Act was filed simultaneously with the dismissal of the workman. Be that as it may, the fact remains that the approval under section 33 of the Act has already been given by this Tribunal and so there is no scope for a complaint under section 33A of the Act. It is not open to the Tribunal any longer to treat its previous order as a nullity on an application under section 33A and pass an Award on such an application. So no relief is open to the petitioner under section 33A of the Act. The remedy, if any, of the workman lies under some other provisions of law and he may also raise an industrial dispute according to law. So I find that the present application is not maintainable in law any longer. The point is decided accordingly.

Point No. 2

In view of my decision on point No. 1 the petitioner is not entitled to any relief in the present case.

This is my award.

Dictated and corrected by me.

N. B. CHAUDHURI,

Judge, Fifth Industrial Tribunal.

The 14th February 1962.

By order of the Governor,

S. C. MUKHERJEE,

Asst. Secy. to the Govt. of West Bengal.

No. 743-I.R./IR/11L-348(A)/61.—2nd March 1962. —Whereas under the Government of West Bengal, Labour Department, order No. 5337-I.R./IR/11L-348(A)/61, dated the 31st August 1961, the industrial dispute between Messrs. Ganges Rope Co. Ltd., 106 Cowies Ghat Road, Shibpore, Howrah, and their workmen represented by Ganges Rope Karmachari Sangha, 12/13 Cowies Ghat Road, Shibpore, Howrah, regarding the issue mentioned in the said order, being a matter specified in the second schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the First Industrial Tribunal;

And whereas the said First Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an industrial dispute between Messrs. Ganges Rope and Co. Ltd., 106 Cowies Ghat Road, Shibpore, Howrah, and their workmen represented by Ganges Rope Karmachari Sangha, 12/13 Cowies Ghat Road, Shibpore, Howrah, referred under Government order No. 5337-IR/IR/11L-348(A)/61, dated the 31st August 1961 (Case No. VIII-291/61.)

BEFORE THE FIRST INDUSTRIAL TRIBUNAL

Present:

Shri S. N. GUHA ROY, Judge.

Appearances:

For the Company: Shri R. Goswami.

For the Union: Shri Patit Paban Pathak.

AWARD

In this reference under section 10 of the Industrial Disputes Act, made by the Government of West Bengal, Labour Department order No. 5337-IR/IR/11L-348(A)/61, dated the 31st August 1961, of an industrial dispute between Messrs. Ganges Rope Co. Ltd., and their workmen represented by Ganges Rope

Karmachari Sangha, the only issue is whether the dismissal of Shri Mukunda Murari Singha is justified and to what relief, if any, he is entitled.

Admittedly, in consequence of an incident between Shri Aswini Kumar Mukherjee, the assistant head clerk of the Company and Shri Mukunda Murari Singha, the workman concerned in this dispute, there was a complaint against the latter by the former. This was followed up by a charge-sheet against him by the Company. There was an enquiry into this charge-sheet and a number of witnesses was examined for the Company and for Shri Singha. As a result of the enquiry, the two charges against Shri Singha were found to be proved and Shri Singha was served with a notice (Ext. 6), dated the 17th of May 1961, dismissing him from the Company's service with immediate effect. The complaint of Shri Aswini Kumar Mukherjee is Ext. 1, dated the 17th of April 1961. The charge-sheet is Ext. 2, dated the 10th of April 1961. Exhibit 3 is Shri Singha's explanation and Ext. 4 is the record of enquiry and Ext. 5 the report of the enquiring officer.

Before me were examined only two witnesses, one for the Company, namely, Shri P. K. Sur, the Assistant Manager of the Company, who held the enquiry and submitted the report, and one for the Union, namely, Shri Mukunda Murari Singha himself.

The officer holding the enquiry, has no personal knowledge of the incident that led to the charge-sheet against Shri Singha and the enquiry. He merely proves the record of the proceedings. Shri Singha denies the allegations made against him by Shri Aswini Kumar Mukherjee and says that he had quarrels with Shri Mukherjee because Shri Mukherjee as the Secretary of the Badminton and Recreation Club and also of the Co-operative Society had refused to pay him his salary as a part-time employee of the Co-operative Society, although this salary was shown in the cash-book as having been paid to him. He also claims in his examination-in-chief to have reported this to the Assistant Registrar of Co-operative Societies against Shri Aswini Kumar Mukherjee. But he admits in his cross-examination that he stated during the enquiry that he had great friendship with Shri Mukherjee and a very long-standing friendship. It further appears from his own application (Ext. C), dated the 26th of June 1961, that he applied to the Assistant Registrar after he had been already served with the notice of dismissal by Ext. 6, dated the 17th of May 1961. As a matter of fact, in Ext. C he mentioned the fact of his discharge. It is thus obvious that the impression which Shri Singha wanted to produce on the Tribunal that there was an enmity between him and Shri Aswini Kumar Mukherjee and that in consequence of this enmity, Shri Aswini Kumar Mukherjee made a false complaint against him, is entirely incorrect. On the other hand, his clear statement before the enquiring officer which he admits in his cross-examination before me, was that he and Shri Mukherjee were great friends for a long time and that he was very much aggrieved when he found that Shri Mukherjee had complained against him. He appears there to have ascribed Shri Mukherjee's complaint against him to the instigations of Dhiren Babu and De Babu. Clearly then, during the enquiry there was not any suggestion from Shri Singha that Shri Mukherjee was actuated in filing a complaint against him by personal malice. The fact, which according to his statement before me is responsible for this personal malice, was Shri Singha's complaint against Shri Mukherjee before the Assistant Registrar but as that complaint was made, as is clear from Ext. C, only after the dismissal of Shri Singha, it is at once obvious that there is no truth whatever in the allegation of Shri Singha, that Shri Aswini Kumar Mukherjee made a false complaint against him out of enmity, resulting from Shri Singha's complaint against Shri Mukherjee before the Assistant Registrar of Co-operative Societies. As this turns out clearly to be false, the ground for disbelieving the statement of Shri Mukherjee before the enquiring officer disappears.

As regards the incident itself, there is on the record of the enquiry a good deal of evidence on which on both the charges, the conclusions arrived at by the enquiring officer, appear to be amply justified. The Standing Orders of the Company are Ext. 7. Under section 13(i) of the Standing Orders and under section 13(xi), wilful insubordination or disobedience of any lawful and reasonable order of a superior and disorderly behaviour, threatening a superior or a person in authority are major misdemeanours for which a workman is liable to demotion or dismissal without notice. Thus, under the Standing Orders, the dismissal of Shri Mukunda Murari Singha would be justified even if there was nothing else against him, but Ext. 10 shown there was a similar charge against him on the 3rd of November 1960 also and that in this letter (Ext. 10), Shri Singha stated amongst other things that he was expressing his regret for the whole affair and would request the Management to view his offence leniently and excuse him from the charge served on him and for this, he would remain grateful. He concluded by saying that mercy should be shown to him. In his cross-examination, Shri Singha admits before me Ext. 10 to have been signed by him, but he says that the word 'mercy' was not there and the word that was actually there was 'pardon'. There was no trace of the word 'mercy' having been over-written on any other word, nor is there any mark of any erasure to confirm this statement of Shri Singha. But even if this evidence of Shri Singha could be taken at its face value, the replacement of the word 'pardon' by the word 'mercy' does not make any difference to the contents of the letter and on the evidence of Shri Singha himself, Ext. 10 which bears his genuine signature is a letter of apology for an incident of a similar nature. Quite clearly then, Shri Singha was guilty on a similar charge on one other occasion, so as to justify the Management in ordering his dismissal.

My award accordingly is that the dismissal of Shri Mukunda Murari Singha is justified and that he is not entitled to any relief.

AWARD

In this reference under section 10 of the Industrial Disputes Act made by the Government of West Bengal, Labour Department, Order No. 2898-I.R./IR/10L-29(A)/61, dated the 3rd of June 1961, of an industrial dispute between Messrs. Calcutta Electric Supply Corporation Ltd. and their workmen employed in Company's Boiler House, Maintenance Department, Mulajore Generation Station, represented by Bijli Mazdoor Union, the sole issue is whether the workmen while engaged in the operation of floating safety valves in boilers should be furnished by the Company with "Boiler Suits".

The case made by the Union in its written statement is that all workers and officers engaged in valve testing were provided in the past with boiler suits as protective clothings in order to secure protection against the steam that might be escaping at the valve testing and against the unusual heat of 450° F., and that there were many accidents and cases of burn injury to the workmen who were employed on valve testing, that thereafter the Company changed over and entrusted the work of valve testing to contractors who are specialists in boiler matters, and this continued for many years; but with the formation of the Bijli Mazdoor Union in July 1960, the Company as a measure of harassment forced down the work of valve testing upon the workmen of the Boiler House Maintenance Department, who had played a prominent part in the formation of the Union.

The case on the other hand of the Company in its written statement is that the staff engaged in the floating of valves have never been provided with boiler suits for the purpose alleged or at all, that the steam temperature is of no consequence at all inasmuch as there is not even the remotest possibility of the steam within the strong-walled boiler to come into contact with the workers engaged in the said operations, that during the last five years there has not been a single accident in the vicinity while such work is carried out, with the exception of Safi Mahammad, that the work of valve testing has always been carried out by the workers of the Boiler Maintenance Department since the very inception of the station and that they are carrying on the said work even now in the same manner as in the past and that there is no question of the Company having forced this work upon the workmen of the Boiler Maintenance Department as a measure of harassment because of the part they played in the formation of the Union as the Company has not knowledge of the workmen of the Boiler Maintenance Department having taken a prominent part in the formation of the Bijli Mazdoor Union, though it knew of its formation.

On behalf of the Union, apart from Shri Paresh Mukherjee, the Organizing Secretary of the Bijli Mazdoor Union, four workmen have been examined, two of them, viz., Shri Rambilash Roy, a mazdoor and Shri Bachan Kumar, a khalashi, are attached to the Boiler House Maintenance Department at Mulajore Generating Station and of the other two, Jiauddin comes from the Boiler Maintenance Department at Metiaburuj and the other, viz., Shri K. C. Bera is attached to the Boiler House Maintenance Department at Cossipore as a fitter. Shri Rambilash Roy says that inside the boiler the pressure of steam rises up to 396 degrees and on the top of the boiler the temperature is 700 degrees and they have to work there. This he says in his examination-in-chief. Obviously what he states could not possibly be correct. Inside the boiler, the temperature is bound to be much higher than what it can be outside, and this is what Shri P. N. Shastri, the Mechanical Superintendent of the Boiler House at Mulajore, states. According to him, the ambient temperature at the place where the workmen have to work in connection with the floating of safety valves varies in summer between 125° to 135° F., and in winter, it is about 100°. It is further the evidence of Shri P. N. Sastri that when the valve lifts, the steam escapes into the atmosphere through a vent pipe which goes up to 20′ above the roof so that no part of the live steam can come in contact with any of the workmen who work on the top of the boiler. He further says that when live steam escaping through the exhaust pipe comes in contact with the

atmosphere, its temperature is 212° F., i.e., the boiling point of water. He also says that no live steam can come out of the safety valve and it is prohibited under the Boilers Regulation, but dead steam which is like cigarette smoke and which is practically of no heat come out from the gland. He also states that a smaller quantity of dust may come down from the vent pipe when the safety valve lifts and the vent pipe shakes but there is no question of any soot coming out because there is no soot, the boiler being thoroughly cleaned after its overhaul and before a safety valve is floated.

The evidence, however, of Shri Rambilash Roy is that as the steam escapes through a hole by the side of the safety valve, the heat affects the workmen. Shri Rambilash Roy also says that the workmen are not supplied with gloves. But Shri K. C. Bera, a fitter at Cossipore, says that the Company supplies the workmen with gloves and this is what Shri P. N. Shastri says also in respect of the workmen of the Boiler House Department at Mulajore. Shri Rambilash Roy also says that he did not do any work in connection with the floating of safety valves before the Union supplied them with boiler suits. Shri Bachan Kumar speaks in the same strain, for he says that there is a risk of the workmen getting burnt if they are not provided with boiler suits although he never did the work himself without a boiler suit. He also says that he found some men doing this work, while clothed in boiler suits and he also found that sometimes the top of the boiler is covered with soot and when the steam escapes the workmen run hither and thither, are covered with soot, and fall down on one steam pipe or another, and that there are many accidents for this reason to the workmen engaged in this operation. The only instance, however, that could be cited was that of Safi Mohammad. The accident report in his case is Ext. A. The injury resulting from the accident was admittedly of a very trivial character, for Safi Mohammad did not even go to the Factory dispensary on the day of the accident but he went there on the day following and he had not to absent himself from duty at all on account of the injury. Ext. A shows that while he was helping in the adjustment of safety valves, his right hand touched the exhaust pipe and got burnt. But the mere fact that within the knowledge of Shri P. N. Shastri, the floating of valves took place on about 250 occasions in four years and that during those four years, there was only one accident, namely, the accident to Safi Mohammad would go to show that the evidence of these workmen was hopelessly exaggerated. The exhaust pipe which according to Shri P. N. Shastri is by the side of the safety valves is heated by the steam escaping through it and naturally if any one accidentally touches it, he is apt to get burnt. A little care on the part of the workmen concerned would be enough to guard them against such an accident. The story of the workmen being covered with soot and of their running to and fro. and falling on this pipe or that is equally exaggerated beyond limits. A thorough cleaning of the boilers from top to bottom and also of the place where the workmen work while floating safety valves precedes, according to Shri Shastri, the floating of safety valves and there would thus according to him be very little sort. If any soot be there, it is likely to be on the roof which lies between the outlet of the exhaust pipe and the top of the boiler and as the workmen are underneath this roof while engaged in the operation of floating safety valves, it is incredible that these workmen would be covered with soot during the operation. As admitted by Shri P. N. Sastri, a small quantity of dust may come out through the vent pipe when the safety valves lift, but there is no question of any soot coming out. In any case, whatever comes out through the vent pipe is not likely to affect the workmen under the roof above the top of the boiler to any extent worth speaking about.

The evidence of the two workmen one from Metiaburuj and the other from Cossipore is that the workmen engaged in the work of floating safety valves are provided by the Company with boiler suits. This is denied by Shri P. N. Shastri who claims to have been engaged in the old and the new Cossipore Generating Stations. The evidence of the workman from Metiaburuj, viz., Shri K. C. Bera is contradicted by the evidence of Mr. Frank Coats, who is attached to the Southern Generating Station of the Calcutta Electric Supply Corporation Ltd., which is also known as Metiaburuj Station. He says that he never saw workers while engaged in floating safety valves being clothed in any kind of protective clothes, such as boiler suits, either in the Southern Generating Station or any other stations. He says, however, that there are in the Southern Generating Station two boiler suits available for the supervisory staff and these can be used by any of the officers for any purpose. By way of illustration, he says that when an officer is required to go inside a boiler for inspecting it, he will naturally put on a boiler suit and it is his definite statement that no boiler suit is at all necessary either for the supervisory staff or for the workmen in connection with the work of floating safety valves. As both these officers, namely, Shri P. N. Shastri and Shri Frank Coats were attached to different stations of the Calcutta Electric Supply Corporation Ltd., though in different capacities, and as there is no reason why their evidence should be disbelieved and as the evidence of the workmen is on the face of it exaggerated beyond belief, I have no hesitation in preferring the testimony of the two officers to that of the workmen. According to Shri Shastri, only a very negligible quantity of live steam escapes through the gland and when only a negligible quantity of live steam escapes through the gland there is practically no pressure and as soon as the negligible quantity of steam comes in contact with the atmosphere, it becomes dead. If as a matter of fact, the picture which the workmen seek to paint were true, a boiler suit which is nothing better than an overall made up of ordinary drill would not possibly afford any protection to the workmen at all. It is admitted by Shri Bachan Kumar in his examination-in-chief that the workmen and the rest do their work in shorts and half shirts as well as in trousers and half shirts. If as a matter of fact the heat in which the workmen have to operate while engaged in the work of floating safety valves were anything like what according to some of them it is, it is most unlikely that they would dress themselves in shorts and half shirts at all, instead of always coming in trousers and full sleeve shirts. Besides, it appears from the evidence of the first witness for the Union, the Secretary of the Union, that a boiler suit costs only Rs. 10-12-0. It is also admitted that for floating safety valves, four workmen are needed. Only four boiler suits are, therefore, necessary for the purpose of lifting the safety valves of one boiler.

In four years, according to Shri Shastri, safety valves were lifted on 250 occasions. That works roughly at 62 or 63 occasions a year. Actually there are 16 boilers in this generating station, and each boiler has four valves. Every boiler is surveyed once a year under the Boilers Act. After surveying, the safety valves are floated once a year, so that four boiler suits only would be necessary for the purpose. The cost of these four boiler suits, according to the estimate given by the Secretary of the Union, is only Rs. 43 and these boiler suits would last for about 2/3 years according to the evidence of the Secretary. That the Company would be resisting a claim which would cost it only Rs. 43 once in two or three years if it were really needed, seems to me to be incredible and on the evidence, I think, it must be held that there is really no necessity for boiler suits for the workmen when they are engaged in the floating of safety valves in boilers. As to the contention of the Union that this work was suddenly transferred to the workmen of the Boiler House Maintenance Department as a measure of harassment in July 1960 when this particular Union was formed, I may say at once that as the Union has led no evidence whatever to show that any workman of this department took any part in the formation of the Union to the knowledge of the Company, even the Secretary to the Union having been admittedly attached to some other department, it is impossible to find that there is any truth in this allegation.

My award accordingly is that the workmen while engaged in the operation of floating safety valves in boilers need not be furnished by the Company with boiler suits.

In the matter of a complaint under section 33A of the Industrial Disputes Act filed by Shri Nani Gopal Chakrabarty, c/o Secretary, Howrah Jela Bus Karmi Parishad of 4/1 Muktaram Babu Debnath Lane, post office Santragachi, Howrah, against Shri Ashutosh Kundu, owner of bus No. W.B.U. 73 of 20 Nilmani Mullick Lane, Howrah (Case No. 95 u/s 33A of 1961).

AWARD

This is an application under section 33A, Industrial Disputes Act, by Shri Nani Gopal Chakrabarty against Shri Ashutosh Kundu, the Opposite Party.

The complaint made in the application is substantially that the applicant was a permanent employee in a public bus bearing No. W.B.U. 73, owned and operated by the opposite party on a certain route in Howrah, but the applicant was illegally dismissed from service by the opposite party in the circumstances alleged in the application without complying with the provisions of section 33, Industrial Disputes Act, during the pendency of the adjudication proceedings of another dispute between the opposite party and his workmen, which was referred for adjudication to this Tribunal by the Government of West Bengal, Labour Department order No. 4083-I.R./IR/4L-34/59, dated the 2nd August 1960. The applicant claims reinstatement to his service under the opposite party with continuity of service and all back wages.

After service of notice of the present application upon the opposite party, he entered appearance through a representative, but no written statement was finally filed on his behalf though several adjournments were taken for the purpose. The applicant too defaulted in appearance on several dates up to 15th January 1962. On 15th January 1962 the Tribunal suo moto adjourned the case to 30th January 1962, directing that the case would be disposed of according to law if no written statement was filed within 12 a.m. on that date. On

30th January 1962 Shri N. Saha, Advocate, appeared for the applicant, but on an application for adjournment made on behalf of the opposite party, the case was adjourned to 16th February 1962 with the same directions as on 15th January 1962. There was no appearance for the opposite party on 16th February 1962, but an application for adjournment was again made on behalf of the applicant and upon this application, the case was adjourned to 23rd February 1962 for peremptory hearing with the direction that no further time would be allowed. On 23rd February 1962 none appeared for either side and no step was taken. It is clear from the non-appearance of the parties on the final date of hearing, 23rd February 1962, that the complaint under section 33A, Industrial Disputes Act, is not pressed and pursued by the applicant and the dispute arising out of the alleged dismissal of the concerned worker in contravention of section 33, Industrial Disputes Act, has ceased to exist. In view of this position, the complaint under section 33A, Industrial Disputes Act, is to be dismissed as not pressed and an award is to be made that the dispute referred to in the application has ceased to exist.

In the result, I dismiss the complaint under section 33A, Industrial Disputes Act, as not pressed and also award that the dispute referred to in the application under section 33A has ceased to exist.

An industrial dispute between Messrs. New Allenberry Works, 62 Hazra Road, Calcutta-19, and their workmen represented by the New Allenberry Works Employees' Union, 47/A Rash Behari Avenue, Calcutta-26, over the following issues, has been referred to this Tribunal for adjudication, by the Government of West Bengal, Labour Department, order No. 5177-I.R./IR/11L-333/61, dated the 26th August 1961:

Issues

(1) Fixation of wages for all categories of workmen.
(2) Dearness allowance.

Upon receipt of the order of reference on 29th August 1961, notices were issued upon the parties for appearance and for filing written statements.

Notices were duly served. On the date fixed, i.e., 28th September 1961, both the parties were present. Shri Sudhangsu Chanda, the Secretary of the New Allenberry Works Employees' Union, which is a particular Trade Union shown as representing the workmen in the order of reference, filed a petition praying for one month's time to file written statement. At the same time, the employer, i.e., Messrs. New Allenberry Works, authorised Shri S. C. Sen and Shri K. K. Maitra, President and Vice-President respectively of the Assam, West Bengal, Orissa and Bihar Employers' Association, West Bengal, to represent the Company under section 36 of the Industrial Disputes Act before this Tribunal.

On the prayer of the Union the case was adjourned to 28th October 1961 for filing written statement by the same. On that date no step was taken by the Union, and none appeared on behalf of the Union. In order to afford further opportunities to the workmen to file written statement, the case was adjourned to 27th December 1961 so that statement might be filed by that date. But on the date as well, nobody turned up on behalf of the Union and no written statement was filed. In the circumstances, I directed the Company to file the written statement on 18th January 1962. Shri K. K. Maitra representing the Company prayed for one month's time to file written statement. It may be noted that even on that date none appeared from the side of the Union or the workmen. Subsequently, the Company filed the written statement on 25th January 1962, in the absence of the Union. As the Union had all along been absent since 28th September 1961 after its first appearance in spite of the fact that ample opportunities had been given to the Union to proceed with the case, I fixed the case for hearing on 17th February 1962 in the absence of the Union or the workmen. On 17th February 1962 the Labour Officer of the Company was present along with Shri

K. K. Maitra representing the Company. None turned up from the side of the workmen. I heard the matter ex parte.

It appears that the Company raises a preliminary objection regarding the maintainability of this case on the ground that not a single workmen engaged in this concern is a member of the New Allenberry Works Employees' Union, which is shown as the particular Trade Union representing the workmen in the order of reference. It is accordingly alleged that the Union has no locus standi to raise any industrial dispute as contemplated under the Industrial Disputes Act. Prima facie the onus is upon the Union to show that the workers of the industry are connected by membership with the Trade Union, organisation representing the workmen. Apparently, when the Union is not coming forward to proceed with the case and lead evidence challenging the contention of the employer, I take it that this Union does not represent the workmen of the Industry and, as such, it has no locus standi to proceed with the dispute. Besides, the fact that the Union is not eager to proceed with the case, lends support to the employers' version that there is no existence of any dispute. The Tribunal cannot obviously proceed to adjudicate upon a dispute which is not being supported by the workers or by any Trade Union in which the workers are alleged to be connected as being members of the same. In the circumstances, I pass a 'no dispute' award.

AWARD

The Government of West Bengal, Labour Department, by order No. 4439-I.R./IR/11L-121/58, dated 17th August 1960, referred under section 10 of the Industrial Disputes Act, 1947 (XIV of 1947), the abovementioned dispute for adjudication to this Tribunal regarding a matter specified in the Second Schedule to the Act.

This dispute was previously referred to the First Labour Court by G.O. No. 1167-I.R./IR/11L-14/58, dated 21st March 1958, for adjudication which has been replaced by the Sixth Industrial Tribunal constituted under notification No. 3115-I.R./IR/3A-6/59, dated 21st June 1960, and has in consequence been abolished by notification No. 3508-I.R./IR/3A-9/59, dated 11th July 1960.

Issue

1. Whether the enforced idleness of the following workmen is justified? To what relief they are entitled?

(1) Kinkar Debnath.

(2) Haradhan Dutta.

Both the two workmen involved in this case, viz., Kinkar Debnath and Haradhan Dutta, and the Company's Managing Director Shri Pannalal Dawn signed a joint petition of compromise in my presence which was filed on 7th February 1962. The terms of the settlement arrived at between the parties appear to be fair and reasonable and may be given effect to. The parties have prayed for an award of settlement having regard to the fact that they have already been taken back in employment of the Company as new recruits.

Therefore, a "no-dispute" award, in the circumstances of the case, is passed in terms of the said petition of compromise which do form a part of the award as Annexure "A".

ANNEXURE

In the matter of an industrial dispute between Messrs. Samnuggur Jute Factory Co. Ltd. (North Mill), P.O. Bhadreswar, district Hooghly, and their workmen represented by the National Union of Jute Workers, Ferryghat Street, Telinipara, district Hooghly. (Case No. VIII-435/60.)

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri N. B. CHAUDHURI, Judge, Fifth Industrial Tribunal.

Appearances:

For the Company: Shri J. K. Ghosh, Advocate of Messrs. Orr Dignam & Co., Solicitors.

For the Union: Shri Biswanath Ash, Advocate.

The Government of West Bengal by its Labour Department, order No. 4406-I.R./IR/7L-11/59, dated 13th August 1960, referred to this Tribunal an industrial dispute between Messrs. Samnuggur Jute Factory Co. Ltd. (North Mill), P.O. Bhadreswar, district Hooghly (hereafter referred to as the Company), and their workmen represented by National Union of Jute Workers, Ferryghat Street, Telinipara, district Hooghly (hereafter referred to as the Union), for adjudication under section 10 of the Industrial Disputes Act.

The only issue referred to this Tribunal for adjudication in this case is as follows:

Whether the dismissal of Shri Ramrachha Pandey is justified? To what relief, if any, is he entitled?

AWARD

Both the parties to the dispute have filed their written statements stating their respective cases on the point at issue. Briefly stated, the workmen's case is as follows: The Company is one of the biggest unit of the jute industry in West Bengal and employs about 7,000 workers. Shri Ramrachha Pandey was a member of the Watch and Ward staff of the Company. He joined as a durwan in this Company on 17th April 1944 and had a spotless record of faithful and efficient service in that

capacity. On 4th July 1955 a charge-sheet was issued against Shri Pandey on the allegation that at about 9 a.m. on 2nd July 1955 he in connivance with some other durwans snatched away from one Mainuddin a sum of Rs. 244 which was paid to him by the Company as his retiral dues, and that the said amount was returned to the rightful owner only at the intervention of the Senior Labour Officer of the Company. With regard to this allegation in the charge-sheet, Shri Pandey alleges that on the occasion of the daughter's marriage of Shri Mainuddin, Shri Pandey and the other four durwans advanced to Shri Mainuddin different amounts of money out of sympathetic consideration alone. At the time of advancing this money, it was understood and agreed that Shri Mainuddin would re-pay the advanced amount in different instalments, and that advanced amount would not carry any interest. It was also agreed that Shri Mainuddin would re-pay the outstanding amount, if any, out of his retiral dues. On 2nd July 1955, Shri Mainuddin received his retiral dues from the Company and voluntarily came to the durwans' quarters within the mill compound to re-pay the outstanding dues to them including Shri Pandey, and it is not a fact that any money was snatched away from him as alleged. Shri S. P. Ukil, the then Senior Labour Officer of the Company, had a long-standing grudge against Shri Pandey because of his refusal to carry on a few occasions Shri Ukil's marketing including fish and meat to his quarters. After the issue of the charge-sheet, Shri Pandey submitted a written explanation. But this written explanation was later amended by the Labour Officer of the Company and Shri Pandey was induced to sign his name again in the amended written explanation on the plea that the amendment was to his benefit and that he would be allowed to resume his work soon thereafter. Thus the explanation on record of Shri Pandey is something different from the original explanation submitted by him. Though the Management was bound to hold an enquiry in the matter of charge-sheet after the submission of explanation, in fact, there was no enquiry whatsoever, and Shri Pandey was not allowed to adduce any evidence or cross-examine any witness of the Company. Nevertheless, the Company decided to dismiss Shri Pandey, and so the matter was dragged to the Industrial Tribunal as well as the Labour Appellate Tribunal. In accordance with the direction of the Labour Appellate Tribunal, the Management expressly agreed to institute a fresh enquiry into the matter. Though the Management moved the Hon'ble High Court also under Article 226 of the Constitution, it was all along agreeable to hold a fresh enquiry into the charge levelled against Shri Pandey. It is urged that Shri Pandey is not aware of any further enquiry into the matter, though it is lately urged by the Management that it has already held an enquiry into the matter and that its previous decision regarding his dismissal has been confirmed once again. Thus, in short, Shri Pandey contends that there has really been no enquiry after the order of the Hon'ble Labour Appellate Tribunal. So, the dismissal in question is grossly illegal, mala fide and in violation of the principles of natural justice. Hence, the present dispute.

The Company, on the other hand, inter alia, alleges that it held a proper and exhaustive enquiry in presence of Shri Pandey himself after the order of the Labour Appellate Tribunal and in pursuance thereof. With regard to the incident, the Management's case is this: On 2nd July 1955 at about 8 a.m. Mainuddin accompanied by one Doman Majhi received his retiral benefits amounting to Rs. 444-6-9 from the Company's Provident Fund Office, but appeared to be reluctant to leave the said office. On being questioned by Shri Harendra Nath Chatterjee, an employee of the Provident Fund Section. Shri Mainuddin and his companion alleged that they were afraid to leave the said office as certain durwans who had lent money to Shri Mainuddin were waiting nearby to take away Mainuddin's money forcibly. Eventually, Shri Mainuddin handed over a sum of Rs. 200 to Shri Domon, and thereafter they two together left the office. Shri Chatterjee incidentally brought this matter to the notice of Shri S. P. Ukil, the then Senior Labour Officer of the Company. Shri Ukil immediately got out on his bi-cycle and saw Shri Mainuddin being forcibly detained by Shri Pandey and the other four durwans behind Godown No. 1 of the mill premises. Shri Ukil hastened to the spot and inquired of Shri Mainuddin what was the matter. Shri Mainuddin informed Shri Ukil that Shri Pandey and his companions had forcibly taken from him a sum of Rs. 244. On the direction of Shri Ukil, Shri Pandey at first brought out a portion of the money from the fold of his loincloth and then brought out the rest of the money from the other side of the loincloth. It is urged that the aforesaid action of Shri Pandey constitutes a misconduct under clause 14 of the certified standing orders and accordingly a charge-sheet was issued on 4th July 1955 against Snri Pandey. After the submission of explanation by Shri Pandey, an enquiry was held into the charge on 4th and 5th July 1955 and the Enquiring Officer submitted his report to the Management on 7th July 1955. The Management decided to dismiss Shri Pandey and in view of the pendency of an industrial dispute before an Industrial Tribunal, an application under section 33 of the Industrial Disputes Act was filed before the Tribunal for getting approval of the proposed action. The matter eventually went before the Labour Appellate Tribunal and the Appellate Tribunal directed a further enquiry into the matter. Though the Company moved the Hon'ble High Court also under Article 226 of the Constitution against the order of the Labour Appellate Tribunal, the Management had actually initiated further departmental enquiry into the charge in accordance with the direction of the Labour Appellate Tribunal, with due notice to Shri Pandey. Shri Pandey was all along present at the enquiry on the different dates it was held, and there he was represented of his own choice by Shri F. U. K. Sahil, General Secretary of the All-Bengal Durwans and Bearers' Union. In this enquiry, witnesses of both sides were examined before the Chief Labour Adviser of Thomas Duff Group of Jute Mills, who was entrusted with the responsibility of holding an enquiry into the matter. Every possible opportunity was given to the workman to explain away the circumstances alleged against him. On the conclusion of this enquiry, the Enquiring Officer gave a report holding that the charge against Shri Pandey was proved. The Management duly considered this report in the light of all facts and circumstances, and accepted the report of the Enquiring Officer and decided once again to dismiss Shri Pandey. The order of dismissal, however, could not be communicated to Shri Pandey, principally because proceedings in the

High Court were pending even then. The High Court was pleased to pass its final order on 9th April 1959 and on 27th May 1959 the result of the enquiry and the decision of the Management were conveyed to Shri Pandey. In the circumstances, it is submitted that the workmen concerned has been found guilty of the charge brought against him after a proper and fair departmental enquiry and thus there is every justification for dismissal of Shri Pandey.

Other facts will appear from the body of the award that follows.

Decisions

For proper appreciation of the present case, I shall incidentally mention certain other facts. The matter in dispute in the present case has rather a chequered career. I have already mentioned that a charge-sheet was issued against the workman, Shri Pandey, in respect of an incident, dated 2nd July 1955. The charge-sheet was actually issued against him on 4th July 1955. But from before this date, a reference under section 10 of the Industrial Disputes Act was pending before a Tribunal in respect of certain other disputes between the Company and its workmen. After issue of this charge-sheet, the Management purported to hold some sort of enquiry against Shri Pandey and decided to dismiss him. Accordingly, on 18th July 1955 or so the Management filed an application under section 33 of the Act before the said Tribunal. On or about the same date, Shri Pandey also filed a complaint under section 33A of the Act before the same Tribunal on the allegation that the Management had violated the provisions of section 33 of the Act. During the pendency of these two applications on 6th October 1955, the Tribunal concerned passed an award in respect of the original dispute under section 10 of the Act. Thus the Tribunal became functus officio in respect of the application under section 33 of the Act by 6th November 1955. Nevertheless, the application under section 33A of the Act remained pending. Sometime thereafter, appeals were preferred before the Labour Appellate Tribunal against the award passed by the said Tribunal. On 1st December 1955 the Company informed Shri Pandey that it would seek permission of the Labour Appellate Tribunal under section 22 of the Act for dismissing him as previously decided. After this intimation, on 13th February 1956 Shri Pandey filed an application under section 23 of the Act before the Labour Appellate Tribunal. On 16th February 1956 the Company actually filed an application under section 22 of the Act before the Labour Appellate Tribunal seeking approval for dismissal of Shri Pandey. The Company filed another application also under section 22 of the Act before the Labour Appellate Tribunal seeking approval for action taken against another durwan named Keshoram Dubey charge-sheeted in connection with the same incident. On 30th April 1956 Shri Pandey withdrew his application under section 33A of the Act pending before the Industrial Tribunal. On 3rd May 1956 all the three applications under sections 22 and 23 of the Act pending before the Labour Appellate Tribunal were heard together. The Labour Appellate Tribunal in its judgment not only directed the Management to hold fresh enquiry into the charge levelled against Shri Pandey, but gave certain other directions also regarding his suspension, subsistence allowance and interim accommodation. The Company, though accepting the finding of the Labour Appellate Tribunal in part agreeing to hold fresh enquiry into the charge, moved the Hon'ble High Court under section 226 of the Constitution against the direction of the Labour Appellate Tribunal regarding subsistence allowance and interim accommodation of Shri Pandey. The Hon'ble High Court by its order, dated 9th April 1959, quashed and set aside the order of the Labour Appellate Tribunal regarding restoration of quarters to Shri Pandey or payment of house rent to him in lieu thereof and also in respect of his subsistence allowance. The parties do not challenge the above facts before me, but they do not agree as to whether there was at all any fresh enquiry by the Management in accordance with the direction of the Labour Appellate Tribunal. According to the Management, it initiated fresh enquiry proceedings against Shri Pandey on 11th July 1956 and held an exhaustive enquiry also in presence of Shri Pandey and his representatives. It is alleged by the Management that this departmental enquiry was concluded on 26th February 1957, and the Enquiring Officer found Shri Pandey guilty of the charge again. The Management also, it is alleged, accepted the finding of the Enquiring Officer and decided to dismiss him. But in view of the proceedings pending before the Hon'ble High Court, the result of this enquiry was not communicated to Shri Pandey before 27th May 1959. On the other hand, Shri Pandey in his written statement pleads that he had no knowledge whatsoever of the alleged departmental enquiry and on 4th May 1959 his lawyer rather wanted to know from the Company how and when the domestic enquiry as directed by the Labour Appellate Tribunal would be held. Thus as the two written statements stand, the parties stand poles as under in respect of the matter of domestic enquiry against Shri Pandey and I am to consider where lies the truth. I am also to consider whether there was justification for dismissal of Shri Pandey.

So, before I enter into the question of justification of dismissal of Shri Pandey, I must see whether there was at all any domestic enquiry, and if so whether such domestic enquiry was properly held in presence of Shri Pandey and/or his representative. From the enquiry proceedings (Ext. G) read with different letters marked Ext. F-series, prima facie it appears that an enquiry was held by Mr. W. H. Jacks, Chief Labour Officer of Thomas Duff of India (P.) Ltd., Managing Agents for Samnuggur Jute Factory Co. Ltd. and several other Companies. On the other hand, from the trend of the written statement filed by or on behalf of the aggrieved workman, it appears as if there was no such enquiry to his knowledge. Shri Pandey in his examination-in-chief states that after the conclusion of the proceedings before the Hon'ble High Court, the Company made no enquiry. Shri Pandey adds that he had been to Angus Mill along with Shri Sahil on 2/3 occasions and Shri Sahil asked him to wait outside the gate, and that he had no talk with anybody or Mr. Jacks. It is also alleged that Mr. Jacks asked nothing from him, nor he saw Mr. Jacks on any such occasions. Of course, it is nobody's case that any domestic enquiry was held after the final order of the Hon'ble High Court. It is the definite case of the Management that an enquiry was held long before the Hon'ble High Court passed its final order. Be that

as it may, even in the beginning of his cross-examination, Shri Pandey tries to say that he cannot say if Mr. Jacks held any enquiry, and that nothing like that was done in his presence. But in this connection, I may at once refer to Ext. A written by Shri Pandey to Mr. Jacks. It was clearly stated in that letter by Shri Pandey that in the enquiry arranged to be held in accordance with the direction of the Labour Appellate Tribunal, Shri F. U. K. Sahil would represent him in all future proceedings. Similarly, by a letter, dated 25th June 1956 (Ext. A-1), Shri Pandey named three persons including Shri Girija Mukherjee to represent him at the time of the proposed enquiry. By Ext. F-13 Mr. Jacks informed Shri Pandey that the enquiry would be held on 13th June 1956 and Shri Pandey would be at liberty to bring any officer of his Union other than a practising lawyer to assist him in the enquiry and Shri Pandey accepted this letter which was sent under registered post. By Ext. F-14, the Enquiring Officer changed the date of enquiry to 27th June 1956 after due notice to Shri Pandey. Exhibit F-4 and Ext. F-5 will further show that there was some correspondence between Mr. Jacks and Shri Pandey as regards the persons who were competent to represent Shri Pandey at the enquiry. From these documentary evidences, it is sufficiently clear that Mr. Jacks gave sufficient notice to Shri Pandey in respect of the proposed enquiry, and it is now idle to argue that the enquiry, if any, was held behind the back of Shri Pandey. In this connection, I may refer to Shri Pandey's own statement also before this Tribunal. Shri Pandey admits that he stated in a letter that his case would be represented by Shri Sahil, and this letter was drafted by no other person than Shri Ash, who actually conducted the case before this Tribunal also. Shri Pandey further admits that he informed Mr. Jacks that Shri Girija Mukherjee would be present on his behalf at the enquiry, and this letter was also drafted by Shri Ash himself. On the suggestion of the Company, Shri Pandey at first tries to deny that he had cited witnesses to be examined at the enquiry held by Mr. Jacks. But on a second thought, Shri Pandey changed his statement and admitted that he had sent a letter naming the witnesses on his side and in spite of that he tries to say that he cannot say if those witnesses were actually examined before Mr. Jacks. Shri Pandey admits that Shri Sahil along with Shri Pandey went to Mr. Jacks on different occasions, though Shri Pandey, it is alleged, was required to remain outside. Shri Pandey has the hardihood to say that it is not a fact that he gave a statement before Mr. Jacks at the time of enquiry. But Ext. G will show that Shri Pandey made a very long statement before Mr. Jacks, and the entire statement covering about 18 pages was taken entirely in the handwriting of Mr. Jacks himself. Shri Pandey, of course, did not affix his signature to his statement, and as a result there is a note also at the foot of the statement in Mr. Jacks' own hand-writing that Shri Pandey refused to sign his statement, even though (if?) it was explained to him in Hindi by his Union representative. I have not the slightest doubt as regards the genuineness of the statement of Shri Pandey recorded by Mr. Jacks. I may mention in this connection that Mr. Jacks himself was a retired I.C.S. officer. Mr. Jacks, of course, is no longer in India, and the Management fails to examine him before this Tribunal. But I have no doubt as to the bona fides of Mr. Jacks' enquiry. That there was an enquiry by Mr. Jacks in presence of Shri Sahil and Shri Girija Mukherjee will be clear from another letter, dated 15th April 1957, written by Shri Sahil himself to Mr. Jacks (vide Ext. F-10). It was clearly admitted in that letter by Shri Sahil himself that there was an enquiry as per direction of the Labour Appellate Tribunal and it was concluded on 28th February 1957. So, it does not any longer lie in the month of Shri Pandey to say that no enquiry was held to his knowledge or before his representative. The enquiry proceedings were signed by Shri Sahil also on certain dates. Shri Ukil at the enquiry was cross-examined at length by Shri Sahil in presence of Shri Girija Mukherjee, though Shri Mukherjee did not put any question in cross-examination to this witness. The matter gets further support from the deposition of Shri Brahmadin Tewari, a witness examined by Shri Pandey himself on his own behalf before this Tribunal. Shri Tewary also admits before me that Mr. Jacks held an enquiry not only against him but also against Shri Pandey. Before the domestic enquiry, Shri Tewari was examined as a witness at the instance of the Management and he was cross-examined by both Shri Girija Mukherjee and Shri Sahil. It is also admitted by Shri Tewari before me that at the time of his examination before Mr. Jacks, Shri Girija Mukherjee, Shri Ukil, Shri Sahil and Shri Thappa were all along present before Mr. Jacks. In fact, all the enquiry proceedings before Mr. Jacks were signed by Shri Thappa also. In this connection, I may also refer to the statement of Shri S. P. Ukil—O.P.W. 1 examined before me. Shri Ukil also swears that in pursuance of the order of the Labour Appellate Tribunal, the Company's Chief Personnel Officer, Mr. W. H. Jacks, held a fresh enquiry against Shri Pandey, and Shri Sahil and Shri Girija Mukherjee represented Shri Pandey at the enquiry. Shri Ukil adds that Shri Sahil was there all through during the enquiry proceedings, though Shri Girija Mukherjee was there on some days only. It is also stated by Shri Ukil that Shri Pandey was personally present at the time of enquiry all through. I may point out here that there was little or no cross-examination of Shri Ukil by Shri Pandey's lawyer before me on this point. In the face of these facts and circumstances, there is hardly any scope for the contention that there was no enquiry after the order of the Labour Appellate Tribunal, and that this enquiry was held in the absence or without the knowledge of Shri Pandey. I have no doubt whatsoever that a fresh enquiry was held by Mr. Jacks after due notice to Shri Pandey, and he was offered all reasonable opportunities to defend himself at the enquiry and also to examine witnesses on his behalf. The witnesses examined on behalf of the Management were cross-examined at length by Shri Pandey's representatives. So, it does not lie in the mouth of Shri Pandey to say that the rules of natural justice were violated in connection with the fresh domestic enquiry. One can easily imagine that Shri Pandey with some ulterior motive purposely withheld the fact of the fresh domestic enquiry from Shri R. Bhattacharjee who filed the written statement on his behalf or the lawyer who had drafted the same.

From what I have shown above, it will be clear that Mr. Jacks actually held a fresh domestic enquiry and after this enquiry—it will appear—the Management decided to dismiss Shri Pandey on the

charge levelled against him. But I may mention at once that there is no paper to show what report, if any, Mr. Jacks submitted to the Management after holding the enquiry. All that appears from the final order of dismissal is that after the enquiry the Management came to a decision in the matter. So, it is needless to say that we are not in a position to know what impression, if any, was made by the witnesses examined at the domestic enquiry on Mr. Jacks' mind, and what was his own conclusion, if any, in this respect. In paragraph 13 of the Company's written statement, it is alleged that the Enquiring Officer reported to the Management that the charge against Shri Pandey was proved. But in the absence of any paper competent evidence to show what report, if any, Mr. Jacks submitted, we may simply observe that the Management came to its own decision either with or without any further discussion with the Enquiring Officer. In the letters marked Exts. F-6, F-7 and F-9, the Assistant Manager repeatedly purported to say that the Management decided to dismiss Shri Pandey on the results of the thorough enquiry, and nothing more. Neither Mr. Jacks nor the Assistant Manager has been examined before this Tribunal, and so this Tribunal is not in a position to know what were the materials or reasons, if any, on which the Management based its own conclusion. As the bona fides and justification of the Management decision is challenged by the workmen concerned, I am required to consider whether the Management has been guilty of a basic error or whether on the materials the finding of the Management is completely baseless or perverse. The principle in this connection has been enunciated by their lordships of the Supreme Court while deciding the case of Indian Iron & Steel Co. Ltd. and another vs. Their workmen (1958 S.C. 130), and I may quote below the observations of their lordships on the point:

> "Undoubtedly the Management of a concern has power to direct its own internal administration and discipline; but the power is not unlimited and when a dispute arises, Industrial Tribunals have been given the power to see whether the termination of service of a workman is justified and to give appropriate relief. In case of dismissal on misconduct, the Tribunal does not, however, act as a court of appeal and substitute its own judgment for that of the Management. It will interfere—
>
> (i) when there is want of good faith,
>
> (ii) when there is victimisation or unfair labour practice,
>
> (iii) when the Management has been guilty of a basic error or violation of a principle of natural justice, and
>
> (iv) when on the materials, the finding is completely baseless or perverse."

In a case reported in 1952 L.A.C. 490 (Buckingham & Carnatic Co. Ltd.) it has been held that in all these cases the requirement of bona fides is essential. The termination of service in colourable exercise of the power or as a result of victimisation or unfair labour practice or caprice should be prevented. Arbitrary conduct or unnecessary harshness on the part of the employer judged by the normal standard of a reasonable man may be cogent evidence of victimisation or unfair labour practice. Where no report of the Enquiring Officer is available, it becomes all the more incumbent upon this Tribunal to see if the Management decision suffers from any basic error or if the finding of the Management is based on sufficient and proper materials. To appreciate the sufficiency or otherwise of the materials before the Enquiring Officer, I must mention here what was the charge against Shri Pandey. Exhibit D is the charge-sheet issued against Shri Pandey. The allegation is that at about 9 a.m. on 2nd July 1955 Shri Pandey in connivance and assistance of four other durwans dragged one Mainuddin to the rear side of Godown No. 1 from the Provident Fund Office after he had been paid his retiral dues and snatched away Rs. 244 from him. It is also alleged that at the intervention of the Senior Labour Officer the money he forcibly took from the said Mainuddin was found on his person and was returned also to the original owner. It may be at once pointed out that neither Shri Mainuddin nor his companion, Shri Doman Manjhi (boatman) was examined before Mr. Jacks at the time of fresh domestic enquiry. The first witness examined on behalf of the Management is Shri Ukil, and Shri Ukil was the Senior Labour Officer referred to in the charge-sheet. Shri Ukil came into the picture rather at a very late stage of the incident. It will be sufficiently clear from his deposition that he did not see Shri Pandey to drag Shri Mainuddin or anybody from the Provident Fund Office to the rear side of Godown No. 1, nor he saw snatching away of any money by Shri Pandey from the custody of Shri Mainuddin. All that is clear from his statement is that he happened to reach a spot behind the Godown No. 1 and found Shri Pandey and four other durwans sitting there and Shri Mainuddin was also present at that place. Something was reported to Shri Ukil, and on his direction Shri Pandey made over a sum of Rs. 244 to Shri Mainuddin. Naturally, Shri Ukil was not in a position to show how and under what circumstances this sum of Rs. 244 changed hands and went to the custody of Shri Pandey. Whatever he might have heard from others must be treated as purely hearsay evidence and cannot be relied upon according to law. The next witness examined at the domestic enquiry is Shri A. K. Mukherjee, who was the then Junior Labour Officer of the Company. On the direction of Shri Ukil, Shri Mukherjee held a preliminary enquiry into the matter before the charge-sheet was actually issued against Shri Pandey, and at the time of this preliminary enquiry Shri Pandey was not personally present. So, the statement of Shri Mukherjee cannot be treated as an evidence to establish any charge against Shri Pandey, because he (Shri Mukherjee) had no personal knowledge in respect of any part of the alleged incident. The next witness examined at the domestic enquiry was Shri Ashutosh Mukherjee. This witness was a member of the Works Committee. But he was not present at the time of the present incident, and so he was not in a position to throw any light on the incident in question. The next witness was Shri Ramgat Tewary, the then Head Jamadar of the mill. Shri Tewary himself stated at the enquiry that he was not present during the time when the money was given over by Shri Mainuddin to Shri Pandey, and so he did not know what happened then. Thus this witness also was not really a competent witness in respect of the allegation against Shri Pandey. Shri Tewari, of course, states at one place of his deposition that he

came to the spot 2/3 minutes after Shri Ukil had come there. This witness stated that on a query of Shri Ukil as to what was happening, at first all the persons kept quiet, and later Shri Ukil asked Shri Pandey to give back the money, and Shri Pandey did it. Thus this witness also can at best speak of return of the money by Shri Pandey to Shri Mainuddin, but he is unable to say how the money came to Shri Pandey. The other witnesses examined before Mr. Jacks were Shri Pandey and the other four durwans mentioned in the charge-sheet and said to be collaborators of Shri Pandey. It appears that these four other durwans also were charge-sheeted in this connection. However, I am not concerned with any charge-sheet issued against the other four durwans. I am concerned with Shri Pandey only. The burden of Shri Pandey's statement is that about 4/5 years before the alleged occurrence he advanced some money to Shri Mainuddin on the occasion of his daughter's marriage but not for any interest and on the date of the alleged occurrence Shri Mainuddin voluntarily came to re-pay the loan, and as such there was no question of applying any force. Shri Bhramadin Tewari also stated that he did not see Shri Pandey behaving badly with Shri Mainuddin. He saw Shri Mainuddin giving money to Shri Pandey freely. There was no threat to Shri Mainuddin by Shri Pandey. Shri Gadadhar Dubey also stated in his evidence before Mr. Jacks that Shri Mainuddin came to re-pay the money which he had borrowed from Shri Pandey and there was no complaint that money was forcibly taken away from Shri Mainuddin by Shri Pandey. Similarly, Shri Ram Bilash Tewari also alleged that there was no quarrel between Shri Pandey and Shri Mainuddin, and that there was no dragging also in that connection. Shri Keshoram Dubey alleged that he had come to the scene rather at a late stage and while he was coming that way Shri Pandey asked him to catch Shri Mainuddin and he did it. So, this witness also has nothing to say regarding the alleged dragging of Shri Mainuddin or snatching away his money by Shri Pandey. These were, in short, all the materials before Mr. Jacks. So, the question arises whether the conclusion drawn by the Management was at all warranted or possible on the materials recorded by Mr. Jacks. One can at once find that there was not a single eyewitness who saw Shri Pandey or anybody dragging Shri Mainuddin from the Provident Fund Office to the rear side of Godown No. 1 or snatching away money from Shri Mainuddin by Shri Pandey. It is nobody's case that Shri Keshoram Dubey dragged Shri Mainuddin from the Provident Fund Office and in fact there is no material also to support any such contention. It may be that for some reason or other Keshoram stopped Shri Mainuddin while he was proceeding somewhere after the payment was already made. Just at that time, Shri Ukil happened to be there and compelled Shri Pandey to return the money in question. From these circumstances alone, nobody can possibly draw a conclusion that Shri Pandey forcibly dragged Shri Mainuddin from the Provident Fund Office and extorted money as alleged. Shri Keshoram's stopping of Shri Mainuddin at a late stage may look suspicious to somebody. Nevertheless, I may at once observe that that fact alone has not established the charge as framed in any way. Shri Mainuddin and his companion Shri Domon Majhi are said to have been examined at the preliminary enquiry in the absence of Shri Pandey. There was no question of cross-examination of this witness at that stage, because even the charge-sheet was not issued by that time. So, the statement, if any, purported to have been recorded at the preliminary enquiry, cannot be treated as an evidence for the fresh domestic enquiry as per direction of the Labour Appellate Tribunal. Similarly, the statement, if any, recorded at the time of the first domestic enquiry also cannot be relied upon, because it was definitely found by the Hon'ble Labour Appellate Tribunal that this enquiry also was not proper or legal. So, in any view of the case, there was no sufficient material even for establishing a prima facie case against Shri Pandey. The learned Lawyer for the Company urges before me that if Shri Mainuddin had made payment voluntarily to Shri Pandey, the Management has no case. His contention is that if Shri Mainuddin was forced to make payment to Shri Pandey against his wishes, the charge under section 14(c), clause (XV) of the standing orders may be taken as established. But from the above discussion, it will be sufficiently clear that there was no evidence to prove that Shri Mainuddin did not pay the money voluntarily. Mere suspicious circumstance in the absence of any positive evidence is not always sufficient to prove a charge. To prove a matter, circumstantial evidence must be conclusive enough to lead to one conclusion alone. In the present case, there is no such circumstantial evidence which conclusively proves the charge against Shri Pandey. Suspicion is certainly no proof even for establishing a prima facie case. In the charge-sheet, the Management relies upon two different clauses of the standing orders for finding Shri Pandey guilty of the charge. The first clause is clause (viii) under section 14(c) of the standing orders. This clause (viii) speaks of riotous or disorderly behaviour during the working hours at the establishment or any act subversive of discipline. I may at once point out that there is no material whatsoever to establish a case of riotous or disorderly behaviour against Shri Pandey, nor is there anything to show that Shri Pandey did anything which might be considered as subversive of discipline. Shri Pandey was not seen by anybody to behave disorderly or violently. So, I am afraid, no case under clause (viii) can be said to have been established. The other charge is under clause (xv) of the same section, and this clause refers to "collection of moneys within the mill premises during working hours for purposes not sanctioned by the Management." As the clause stands, this misconduct simply means collection of money for some purpose not approved by the Management. In this connection, I may say that Shri Pandey, in fact, did not collect any money within the meaning of this clause. If the fact is that Shri Pandey actually advanced some money to his friend Shri Mainuddin and Shri Mainuddin repaid that money to Shri Pandey within the mill premises, it cannot be said that Shri Pandey violated the provisions of this clause (xv). There is not an iota of evidence to show that Shri Pandey actually advanced any money to Shri Mainuddin for interest. From the trend of the cross-examination of the learned lawyer for the Company before this Tribunal, it appears as if money lending for interest by an employee of the Company is prohibited under the standing orders. But I may observe that no such evidence or rule has been shown to me by the learned lawyer. To me, it appears that clause (xv) does not go to that

length. Be that as it may, in any case there is no evidence before me or the Enquiring Officer to show that Shri Pandey lent money for interest. Mere re-payment of loan by one employee to another where there was no intention to carry on money lending business cannot be said to be "collection of money" prohibited by clause (xv). In the face of these facts and circumstances, I think, there was no material before the Enquiring Officer or the Management for holding Shri Pandey guilty of the charge. I am afraid, the Management decision suffers from basic error of facts, and this is a sufficient ground for interference by this Tribunal in accordance with the decision of the Hon'ble Supreme Court referred to above. Of course, I am fully aware of the fact that I am not called upon to sit in appeal over the judgment of the Enquiring Officer or the Management. I am also not supposed to thrust upon my judgment over that of the Enquiring Officer or the Management. In a case where the Management decision is challenged, it is the incumbent duty of the Tribunal to see if the conclusion drawn by the Management was at all possible, and if there were materials, to support it. I have already pointed out that there is nothing on record to show what were the materials, if any, on which the Management based its decision. Even the report of the Enquiring Officer is conspicuous by its absence. The written statement of the Management in paragraph 13 speaks of the Enquiring Officer's report. If, in fact, Mr. Jacks submitted any report in writing as alleged in the written statement, the Management must have purposely withheld the same from this Tribunal. I, therefore, look at this action of the Management with suspicion, and I am entitled to draw an adverse inference against the Management under section 114(g) of the Indian Evidence Act. Thus without further discussion, I find that there was no material before the Management for finding Shri Pandey guilty of the charge. Now let me see whether there is evidence adduced before this Tribunal sufficient to support the finding of the Management. The only witness examined on behalf of the Management before this Tribunal is Shri S. P. Ukil, and I have already pointed out that he had no personal knowledge in respect of any material portion of the alleged incident. He at best saw Keshoram to catch hold of Shri Mainuddin, and I have already observed that this fact alone is not sufficient enough to warrant a conclusion as drawn by the Management. In one part of his cross-examination, Shri Ukil tries to say that when he reached the place of occurrence he heard Shri Mainuddin crying and shouting and saying something in that connection. But I may point out that this story of crying and shouting by Shri Mainuddin does not find place anywhere at the domestic enquiry. So, this portion of his evidence before me makes no impression whatsoever on my mind. The other witnesses examined on behalf of the Management at the domestic enquiry do not speak of any such crying or shouting. So, the charge cannot be said to have been established by this allegation of crying and shouting by Shri Mainuddin. The learned lawyer for the Company urges before me that Shri Pandey received payment of Rs. 244, though he lent Rs. 110 to Shri Pandey according to his reply to the charge-sheet. Hence, I was asked to draw a conclusion that Shri Pandey had an evil design of grabbing much more money than what he had lent actually. But I may point out that according to the reply to the charge-sheet, Shri Mainuddin borrowed money not only from Shri Pandey but from four other durwans also, and the payment to Shri Pandey was a lump payment for the benefit of all the five durwans who had lent money to Shri Mainuddin. Of course, it may be urged that the four other durwans denied before the domestic tribunal that they had lent any money to Shri Mainuddin. Of course, I am not called upon to decide finally in this case what amount, if any, Shri Mainuddin actually borrowed from Shri Pandey, nor can I at once conclude that other durwans did not actually lend any money to Shri Mainuddin as they denied such giving of loan at the domestic enquiry. The other four durwans might have sufficient reasons to deny this fact of giving loan to Shri Mainuddin, because they were also charge-sheeted at the time by the Management in connection with this very incident. But I may point out here that the denial of the other four durwans might be motivated by extraneous reasons, and there may not be any truth in this denial. So, from these circumstances also, I cannot conclude that there was any extortion of money or robbery as alleged by Shri Ukil. So, the conclusion drawn by the Management was not a possible one in view of this fact also. It may also be mentioned in this connection that the Management sent an information to the police in this connection. But the police was not pleased to start any case against Shri Pandey or anybody. Before I conclude, I may also mention that much has been said on behalf of the workman alleging that Shri Ukil or somebody of the Management purposely scored through a portion of Shri Pandey's reply to the charge-sheet with a motive and without his knowledge. But I attach no importance to this allegation, because nothing very material has been scored through, nor anything really damaging to the defence case has been added to by way of corrigendum or addition. As far as I can decipher, the scored portion reads as follows:

> "and the Labour Officer told me that a police case will be started against".

The added portion can be easily read by anybody, whoever might be responsible for this corrigendum or addendum. I see no mala fides in it, as the matter stands. So, I need not bother as to who might have done the same actually. So, I finally decide that there is no justification for dismissal of Shri Ramrachha Pandey. Accordingly, I direct that Shri Pandey be reinstated to his former post and his services be deemed to have continued without break. He was forced out of his employment by the Management from 1955, and it is 1962 February. So, considering the circumstances, I direct that the Management do pay 50 per cent. of his wages for the period of forced unemployment. The award be given effect to within one month of its publication in the Gazette.

This is my award.

ANNEXURE

In the matter of an industrial dispute existing between Shri Rasamoy Panda, Bus Owner, village Kajora, P.O. Kajoragram, district Burdwan, and his workmen represented by Burdwan Zilla Motor Karmachari Samity, Burdwan District Congress Office, district Burdwan. (Case No. VIII-556 of 1960.)

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:
Shri P. C. PAL.

Present for the employer: None.

Present for the workmen: None.

This is a reference under section 10 of the Industrial Disputes Act of 1947 by the Government of West Bengal, Labour Department, Order No. 5474-I.R./IR/4L-74/60, dated the 29th October 1960, for adjudication of the issue, viz.:

Whether the discharge of Shri Santi Ranjan Roy is justified? To what relief, if any, is he entitled?

The reference was received by this Tribunal on 8th November 1960. After due notices were given to both parties, Shri Nikhil Roy, Advocate for the workman concerned, took adjournment on 25th November 1960 and 10th December 1960 was fixed for filing written statement by the Union which was actually filed on 27th December 1960. Then the employer appeared on 16th January 1961 and took time till 31st January 1961, for filing his written statement, which was actually filed on 1st March 1961 after he had taken adjournment on 31st January 1961. On the two following adjourned dates neither party did appear. Next, on 27th May 1961 Shri Nikhil Roy appeared for the workman and informed the Tribunal that the Union would file documents at the time of hearing. The next date was fixed on 17th June 1961 on which date the employer appeared through his lawyer Shri Kamala Kanta Mondal, who put in a list of documents. 16th August 1961 was fixed for hearing though neither party appeared on the preceding date, 13th July 1961. On the date fixed for hearing, the employer took time on ground of illness, while Shri Roy for the Union expressed his inability to conduct the case as he could not make contact with the Secretary of the Union. So 9th September 1961 was fixed for fixing the date of hearing. On that date, however, neither party appeared, or took any step. This was the state of things on three succeeding dates, viz., 21st September 1961, 3rd October 1961 and 28th October 1961. Again, 15th November 1961 was fixed for fixing a date of hearing. On that date the Union was represented, but the employer remained absent and unrepresented. This was also the case on the succeeding date, 29th November 1961.

Next, 14th December 1961 was fixed for hearing. The employer took time on ground of illness. The hearing date was adjourned to 31st January 1962. The emloyer was present on the date fixed but not the Union, in spite of receipt of notice issued to it. To give another chance to the Union, 8th February 1962 was fixed for hearing. On that last date neither party appeared or took any steps.

In the above circumstances, it appeared that neither party was keen about the proceeding of the case. In the absence of both parties without any reasonable cause being shown for their absence, I proceeded to dispose of this matter under rule 22 of the West Bengal Industrial Disputes Rules of 1958. It was, therefore, presumed that no dispute was in existence between the parties. In the result, therefore, I pass a "no dispute" award in this case.

ANNEXURE

In the matter of a complaint under section 33A of the Industrial Disputes Act filed by Shri Rama Kahar, driver, c/o Secretary, Howrah Jela Bus Karmi Parisad of 4/1 Muktaram Babu Debnath Lane, post office Santragachi, Howrah, against Shri Ashutosh Kundu, owner of bus No. W.B.U. 73 of 20 Nilmani Mullick Lane, Howrah (Case No. 96 under section 33A of 1961)

BEFORE THE SEVENTH INDUSTRIAL TRIBUNAL, WEST BENGAL.

Present:

Shri S. K. RAY, Judge, Seventh Industrial Tribunal.

AWARD

This is an application under section 33A, Industrial Disputes Act, by Shri Rama Kahar, Driver, against Shri Ashutosh Kundu, the opposite party.

The complaint made in the application is substantially that the applicant was a permanent employee in a public bus bearing No. W.B.U. 73, owned and operated by the opposite party on a certain route in Howrah, but the applicant was illegally dismissed from service by the opposite party in the circumstances alleged in the application without complying with the provisions of section 33, Industrial Disputes Act, during the pendency of the adjudication proceedings of another dispute between the opposite party and his workmen, which was referred for adjudication to this Tribunal by the Government of West Bengal, Labour Department, order No. 4083-I.R./IR/4L-34/59, dated the 2nd August 1960. The applicant claims reinstatement to his services under the opposite party with continuity of service and all back wages.

After service of notice of the present application upon the opposite party, he entered appearance through a representative, but no written statement was finally filed on his behalf though several adjournments were taken for the purpose. The applicant too defaulted in appearance on several dates up to 15th January 1962. On 15th January 1962 the Tribunal suo moto adjourned the case to 30th January 1962, directing that the case would be disposed of according to law if no written statement was filed within 12 a.m. on that date. On 30th January 1962 Shri M. Saha, Advocate, appeared for the applicant, but on an application for adjournment made on behalf of the opposite party, the case was adjourned to 16th February 1962 with the same directions as on 15th January 1962. There was no appearance for the opposite party on 16th February 1962, but an application for adjournment was again made on behalf of the applicant and upon this application, the case was adjourned to 23rd February 1962 for peremptory hearing with the direction that no further time would be allowed. On 23rd February 1962 none appeared for either side and no step was taken. It is clear from the non-appearance of the parties on the final date of hearing, 23rd February 1962, that the complaint under section 33A, Industrial Disputes Act, is not pressed and pursued by the applicant and the dispute arising out of the alleged dismissal of the concerned worker in contravention of section 33, Industrial Disputes Act, has ceased to exist. In view of this position, the complaint under section 33A, Industrial Disputes Act, is to be dismissed as not pressed and an award is to be made that the dispute referred to in the application has ceased to exist.

In the result, I dismiss the complaint under section 33A, Industrial Disputes Act, as not pressed and also award that the dispute referred to in the application under section 33A has ceased to exist.
